NEW YORK JOURNAL

W. R. HEARST.

CHARITY

antagonism of the privileged classes whom this paper op- work that cannot be classified has been done. gry as they are to oppose every effort to give the news penses of operation have been borne by the Journal. frankly and accurately to all the people,

A few days ago Colonel Frederick D. Grant and Mr. A. D. Parker, of the Police Board, visited the Journal's relief station, and shortly thereafter wrote to this paper a joint | ELLSWORTH'S letter, pronouncing it "a praiseworthy and Christian institution." They recognized, as would any sane man, that in relieving the immediate necessities of the poor there must result an occasional gratuity to the unworthy, but they result an occasional gratuity to the unworthy, but they were broad-minded enough to discern that suffering must bill, which makes the publication of a portrait or a cariwere broad-minded enough to discern that suffering must bill, which makes the publication of a portrait or a carionvinced that only concerted action by the leading commercial nations can maintain bimself in the sufferers may be worthy of the unworthy, but they are exacting as a crowd, but they are exacting as a crowd.

涨 "The Flying Dutchman."

The ripe and luscious melodies of "The Flying Dutchman" were heard for "the first time in years" at the Metropolitan Opera House last night, and a large, singularly subdued and unresponsive audience listened to them. "The Flying Dutchman" is an opera not at all popular with the Wagnerites. The ripe and luscious melodies, composed before the "master" had exhausted his melodic vitality, and degenerated into a craze, are quite too ordipary to appeal to mathematical musicians They are "arid deserts of conventionality, dreary wastes of mere commonplace and all that sort of thing. In spite of which, most same opera lovers will vote "The Flying Dutchman" a lovely arrang ment of exquisite music, and regret that it is not more frequently interprete

It was in this opera that Wagner first intlmated his fell designs with the 'leit motif," which subsequently swamped him. But ASHINGTON, March 10 .- To-day apples at the bottom of the barrel where it was in this opera, as in "Tannha" the Senate closed its books they belong and calls 1,800 pounds a ton and in "Lohengrin," that Wagner revelled and adjourned sine die.
